Safeguarding & Child Protection

We are committed to safeguarding and promoting the welfare of children and expect all staff and volunteers to share this responsibility. We ensure that consistent and effective safeguarding procedures are in place to protect children and staff at school and support families out of school.

Concerns about a child

All concerns relating to a child in school should be passed to the Designated Safeguarding Lead who is Kate Ticehurst, Assistant Head Teacher. In their absence, any concerns should be passed on to one of the Designated Safeguarding Leads.

Parents will be informed of any concerns that have been reported. We work as part of Keeping Bristol Safe Partnership.

Prevent

The school is aware of its responsibilities under the Prevent Statutory Duty through the Counter Terrorism and Security Act 2015. The duty requires schools to consider the need to safeguard children from being drawn into terrorism. Our Prevent Lead is Rachel Barnwell.
