

St Werburghs Park Nursery School Newsletter

Term 1 October 2025

Wow! We are at the end of Term 1 already. It has been lovely to welcome back returning children and their families as well as welcoming new children and families to St Werburghs Park Nursery school. We would love to welcome our new caretaker, Al Wardle, to our St Werburghs family.

This term our focus has been on developing relationships. Key workers and staff have been getting to know children and families and we have been supporting children to make positive relationships with their peers. This is such an important skill for children to learn and develop and takes lots of time and energy for all that are involved.

We hope your children have had a great first term with us.

Best wishes

Nicky

At the beginning of next term, we will be thinking about **Bonfire night** (5th November), and we will also be dressing up for '**World Nursery Rhyme Week**' (10th – 14th November)

Thank you to all the grandparents who were able to join us for our stay and play sessions to celebrate World Grandparents' Day. The children enjoyed showing them their classroom and their learning

Just a reminder that we are a nut free school. Please ensure there are no nut products in your child's lunchbox.
Thanks

Our Safeguarding Team

We were excited to have 'Same Same but Different' Theatre group come and tell us the story of Rama and Sita, to celebrate Diwali. The children were brilliant and joined in with the dancing! The children have also been creating their own Diya Lamps out of clay.

We hope you have been enjoying seeing your child's learning online. It has been lovely to see some of your uploaded photos and comments about what your child has been doing at home! Please check your emails for all the information you will need to log in to your account. If you need any help with this, please phone or email the office
