

St Werburghs Park Nursery School Newsletter

Term 2 December 2025

Wow! We are at the end of Term 2 already. It has been another busy term at St Werburgh's. This term we have celebrated World Nursery Rhyme week, dressing up as our favorite nursery rhyme characters and singing a variety of nursery rhymes. In our classrooms, we have also been discussing road safety, how to keep our bodies safe when walking along the pavement next to a road and what the traffic light colours mean. Orange room have been reading the core books 'Brown Bear, Brown Bear', going on their own animal hunt in the garden. Yellow room have visited the park to search for Sharks in the Park whilst reading their core book 'Shark in the Park' We are excited to be welcoming new families to Nursery in January. We hope you all have a safe and enjoyable break. We will see you back on Tuesday 6th January 2026!

Best wishes
Nicky

Just a reminder that we are a nut free school. Please ensure there are no nut products in your child's lunchbox.
Thanks

Healthy School

Eating well is essential for children in their early years. Children from 1-4 years old need to eat well to establish good eating patterns, ensure they grow and develop appropriately; to protect their teeth and to ensure they are ready to learn. You can find lots of brilliant information about eating well with practical guides and ideas via this link.
