

The Limes Nursey School Newsletter

Term 1 – September 2026

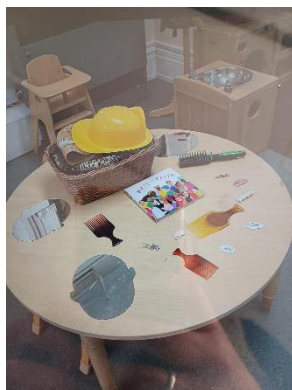

What a fantastic first term at the Limes!

The children have all settled so well! It was a very calm and purposeful first term at the Limes. The new garden areas have created exciting, challenging and new experiences for the children. We will continue to develop our garden areas, focusing on quality interactions and further development on outdoor learning. We have also been thinking about and celebrating Black History Month, the children have been looking at books, talking about their skin and creating their own self portraits. Thank you to all those families who joined us in the last week of term for our stay and play sessions. Many thanks for all your support. Jo, Lucy and The Limes Staff tea,
